Sir:

Responsive to the Official Action date 07 / 06 / 2004, please amend the
above-referenced Patent Application as following:

AMENDMENT

IN THE DRAWING

Please amend the drawings 1 and 2 as the attached amended copy. In the amendment of Fig. 1, the indications of P and 11 are added to illustrate those elements described the background of the invention. In the amended Fig. 2, a bracket is added. All these amendments are based on the suggestions on the office action. Thereby, it is assured that no new matter is added thereto.

IN THE SPECIFICATION

Please amend the original Specification with the Substitution Specification enclosed herewith. A mark up version and a clean version are listed appended, where those cancelled are deleted by a cross line and those amended are indicated by an underline. The Substitute Specification was necessitated due to errors noted by the Examiner in the office action. The Substitute Specification is inserted for purpose of clarity and ease of understanding by the Examiner. From the mark-up version appended, it is appreciated that no new matter has been incorporated therein.
